MEETING & EVENT SPACES

Our 19-story, 500-room hotel offers additional meeting spaces and a pre-function area perfect for any corporate or social event. Conveniently located on the same floor of the hotel, all rooms are equipped with state-of-the-art AV and complimentary WiFi.

EVENT CENTER

In one word, this room is BIG. At over 24,000 usable sq.ft., it is one of the biggest venues in Milwaukee. Transform this blank canvas into just about anything you can imagine, everything from galas to tradeshow, corporate seminars, receptions and more. Plus, it is conveniently located off of the skywalk—making it easily accessible from the parking structure.

LEGACY BALLROOM

Fresh and refined, the Legacy Ballroom offers a richly-appointed space for events of up to 1,439 guests, yet can be divided to accommodate nearly any size affair.

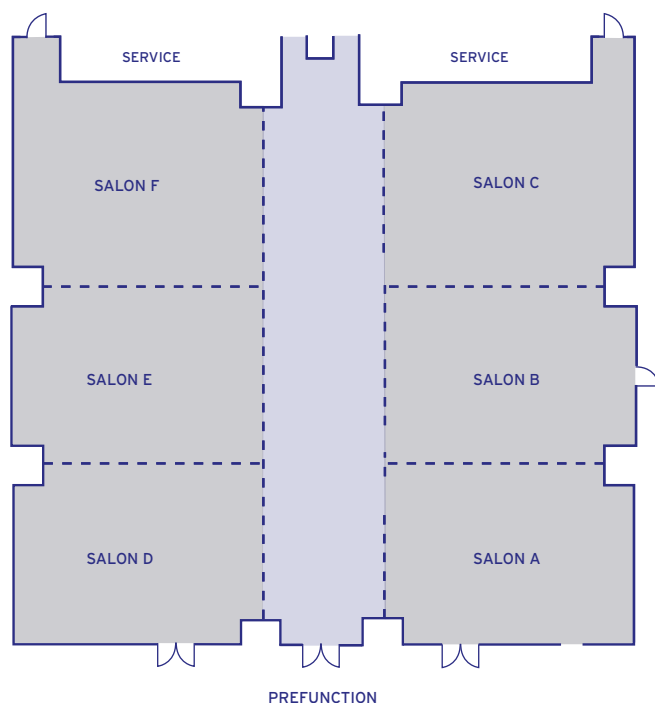

Whether you're hosting a large conference, an intimate get-together or a reception, the Legacy Ballroom will meet your every need.

NOTES:

WOODLAND DREAMS BALLROOM

Take your event to the next level in sophisticated style with the newly renovated Woodland Dreams Ballroom. This space can accommodate up to 550 people for dinner, or be sectioned off for smaller events.

NOTES:

Be at the center of it all in the soaring spaces of the Tribal Room. Boasting the warmth of a fireplace and natural stone accents, plus a dazzling skylight, this space is ideal for a reception or smaller gathering.

FOOD & CATERING

Great food changes everything. That's why the menu for your special occasion is just as important as the location. Whether you're planning a full meal with several courses, snacks to re-energize your group or want to indulge in a tempting array of pastries, our in-house catering and pastry chefs offer an extensive menu of delicious options.

CASINO EXCITEMENT

No matter your game, find your win at Potawatomi Hotel & Casino. Home to 150,000 square feet of gaming and entertainment space, the Casino offers nonstop action every day of the year.

Over 2,500 slot machines, nearly 100 table games, a 1,440-seat bingo hall, off-track betting and a poker room provide endless gaming variety.

Catch a show at the renowned Northern Lights Theater. With seating for 500, the theater regularly hosts music and comedy legends. Free regional entertainment is also available several nights a week at Bar 360.

GREEN INITIATIVE

In today's day and age, everyone is trying to reduce, reuse and recycle. At Potawatomi Hotel & Casino, we are happy to do our part in preserving our planet for future generations.

The Forest County Potawatomi uses 105% green power, which generates 55 million kilowatt hours annually from renewables.

Each year, hundreds of tons of cardboard, paper, glass and plastic are sent into our single-stream recycling programsaving nearly one thousand cubic yards of landfill space.

New energy-efficient lighting was installed in our 30-acre parking structure in 2010, saving enough energy to provide annual electricity to 340 homes.

Energy-efficient air hand dryers are installed in all guest and team member bathrooms, reducing the amount of paper towels wasted.

All of the used cooking oil from our restaurants is kept out of landfills and is renewed into usable items such as lubricants and animal feed.

At least 90% of all cleaning products at Potawatomi are green, including cleaning chemicals, EPA-certified and Green Seal equipment, concentrated products and recycled paper products.

The ground surrounding our facility uses sustainable landscaping practices to add beauty and provide benefits to the environment.

The hotel is located in a walkable community that offers community services within a half-mile.

The hotel roof has a light color with a high solar-reflective index value, while 20% of the property is vegetative space.

A 20% reduction in water use is achieved through low-flow bathroom and kitchen facilities.

Energy savings are being earned through high-efficiency HVAC and lighting systems.

Pollutants and cross-contamination of occupied areas is controlled with walk-off entry mats, high-efficiency filters and well-ventilated rooms.

All adhesives, sealants, paints, coatings, hard floor materials and carpets used in the hotel have low-emitting finishes.

90% of all regularly occupied areas of the hotel have direct line of sight to the outdoors.

More green initiatives: Wind power. Local and sustainable food options. Electronic menus and signage. Composting and more.
